Important Registration Information

This year Football Federation Australia is using an online registration system. Players are able to enter their registration information online. The web address is www.myfootballclub.com.au

An information sheet is attached with the information required for new and previously registered players to enter their information onto the system.

All registrations must be completed and paid before the first game of the season (18/04/2010)

Steps to registration

1. Log on to www.myfootballclub.com.au
2. Use the attached guide to navigate your way through each page in the registration process
3. Print out the invoice at the end
4. Take invoice and fees payable to coach or committee representative at training

Please ensure this process is completed before the first game. Those players who register and pay on time will receive a free ball and scarf from FFA. We strongly encourage players to complete this information themselves, as it reduces the amount of work committee members need to do during the registration period. For those of you who are unable to complete the registration process online committee assistance will be available.

Registration Fees 2010

Registration fees for 2010 have increased from 2009. This is for two reasons. The fee components payable to Football Federation Australia, Football Federation Victoria and Football Federation Sunraysia have all increased from last year. The club is also no longer able to rely on fundraising to help subsidise fees. With such a small number of members willing to be involved at committee level, it is difficult to do vital fundraising for the club. Unfortunately this means that the club has needed to increase their component of the fees slightly to cover the shortfall.

Registration fees for 2010 are as follows;

5 years – 11 years	\$120
12 years – 18 years	\$140
Senior Female	\$180
Senior Male	\$210

Coaching Courses

There will be a number of opportunities in 2010 for members to attend coaching courses for all levels. The first course is scheduled for April – stayed tuned for more information.

Bunning's BBQ

Our second Bunning's BBQ is the weekend after Easter. Please contact the committee if you are able to spare an hour or two to help out with this vital fundraising for the club.

Practice Match

There will be a Seniors and Reserves practice match against Irymple Knights this Sunday 28th March @ Irymple grounds from 2pm. Come along, enjoy some quality football and show your support.

Cricket Pitch

Helpers are needed to cover the cricket pitch this Sunday morning at the Nichols Point grounds. Please contact Bruce on 0409997840 if you can spare an hour assist.

Next Committee Meeting..... TBA, information regarding this will be emailed shortly.
