Club Duty Day

It is our clubs turn this weekend to assist with the setting up and packing away of the equipment at soccer park this weekend (18th July)

Assistance with the following jobs will be required;

At 8.30am assistance with setting up the SSG Goals and fields on Pitch 10. Another group will be needed to help put them away around 10.30am. We need people to bring in the half field corner flags from Pitches 12 and 13 after U11 (around 12.30). We will also need people through the day to clear rubbish around the grounds (if we keep up with it there is no big job to be done at the end of the day). Finally, we need people to bring in all the red bins (line up in front of kiosk area along the Pitch 10 bollards road side) and corner flags and do the final rubbish pick up after Seniors approx 5pm.

Anyone who is able to help advise PC of what time and job you can help with by e-mailing frohligo@aanet.com.au

Back 2 Front Draw.....Coming Soon

The Club is in the early stages of planning a Back 2 Front Draw to be held before the end of the season. To put this together we will need assistance from members of the club.

If you can help by becoming part of the sub-committee, able to donate or organise prizes to be drawn throughout the night or can help in any other way, please contact our fundraising team leader Nisha at nisha-f@hotmail.com.
